Subject: Letter of Appreciation

Dear Jit davda,

Thanks to Gujarati Mandal of Calgary so much for generous donation of \$15,000 to Vraj Community Services. Your support has directly benefitted our mission to assist, encourage, and support residents through needs-based programs focused on poverty reduction, youth engagement, health and wellness, and cultural events. We have utilised your fund to send 25 oxygen concentrators for the Gujarat COVID-19 Relief project in May 2021. In addition to Gujarat, we have sent oxygen concentrators in various parts of India including Madhya Pradesh, Rajasthan, Uttar Pradesh, Punjab, Maharashtra and many more tier 2 and 3 towns.

It was a pleasure virtually meeting you at Vraj Community's online fundraising initiative. We raised \$415,000+ from donors like you, and we very much appreciate all the support we have received. We look forward to future initiatives like this one and hope you can join us next time.

We want to sincerely thank you and Gujarati Mandal of Calgary again, and we look forward to your continued support in upcoming days. Please check our website and newsletter for upcoming events.

With Kind Regards,

Signature
